PINK LADY™

SUPERFINE CHOCOLATE

FOR THE LOVE OF CHOCOLATE®

SINCE 1938, AN EVENING OUT IN MELBOURNE'S THEATRE DISTRICT WENT HAND-IN-HAND WITH THE INDULGENCE OF A BOX OF LOCALLY MADE PINK LADY CHOCOLATES. TODAY, WE CONTINUE THIS TRADITION BLENDING EXCEPTIONAL INGREDIENTS TO PERFECT OUR PREMIUM, SUPERFINE CHOCOLATE, THE ULTIMATE CHOCOLATE EXPERIENCE.

SUPERFINE CHOCOLATE

To achieve a rich and smooth textured experience, chocolate is refined through a process known as conching – reducing particle sizes of both cocoa solids and sugar crystals. All Pink Lady Chocolate is conched down to just sixteen microns to ensure a smooth, premium superfine chocolate experience.

AUSTRALIAN MADE AND OWNED

Pink Lady Chocolates are 100% Australian made and owned, with our superfine chocolate made in Melbourne, Victoria.
